

shell<HandleType>

```
graph BT; A[INMOST::Storage::reference_array] --> B[shell<HandleType>];
```

The diagram consists of two rectangular boxes. The top box is white with a thin black border and contains the text 'shell<HandleType>'. The bottom box is gray with a thin black border and contains the text 'INMOST::Storage::reference_array'. A solid blue arrow points vertically from the top center of the gray box to the bottom center of the white box.
